AMELIA BROWN CHOSEN TO ATTEND SUMMER EXPERIENCE PROGRAM

AT U.S. COAST GUARD ACADEMY

Amelia Brown, a senior at Riverside Christian Academy, attended the Academy Introduction Mission (AIM) at the United States Coast Guard Academy in New London, CT this summer.

Selection to AIM is based on leadership potential, personal character, academic and athletic achievement, and students' potential to contribute as a future cadet. AIM is now widely regarded as the most realistic service academy summer orientation program in the country.

AIM tests and inspires those interested in serving their country and humanity as officers in the nation's oldest continuous maritime service. The participants are immersed in Academy tradition and cadet life for six non-stop days during the program. AIM also helps participants discover if they possess the mind, body, and character to succeed at the U.S. Coast Guard Academy.

Amelia is pursuing a nomination to a United States service academy and plans to major in engineering.
