

RCA IN THE NEWS

APPRECIATION FOR YEARS OF SERVICE

The administration at Riverside Christian Academy thanked three of the school's dedicated employees last week for their service to the ministry of RCA. James Bryant, RCA's Head of School, presented Donna Hard, Amy Finch, and Juli Ezell with a 2014-2015 yearbook signed by their coworkers.

Donna Hard has been involved with RCA since it began in 2001. She began as a volunteer and then became the school's secretary. Mrs. Hard retired this year, but continues to be involved at RCA as a substitute teacher. Amy Finch has served as RCA's high school math teacher for the last 10 years. She has also served as the high school principal and the coordinator of the school's annual spring formal. Mrs. Finch and her family will be moving to Williamson County this summer. Juli Ezell has served in many positions at RCA including classroom teacher, P.E. teacher, and librarian. She has taken a position at Ninth Grade Academy.

"We thank Donna, Amy, and Juli for a combined 36 years of service to Riverside Christian Academy and wish them well in their future plans," said Mr. Bryant.
