

# THE WEARY WORLD REJOICES DAILY DEVOTIONAL ORNAMENTS

Enjoy this fun a meaningful way to count down to  
Christmas!

Each ornament has been designed from the daily devotional verse. Use these ornaments to discuss with your children about the day's devotional. I recommend printing your images on card stock. After decorating you can cut them out and hang them on your tree. If you want to have them as a keepsake for every year you can simply glue them on wood ornaments. Here is the link to some perfect sized wood ornaments!

A hand-drawn illustration of a door, enclosed within a thick black circular border. The door is depicted with simple lines, showing a handle on the right side. A rectangular sign is hanging from the top of the door, featuring the words "NO ROOM" written in a bold, hand-drawn font. The sign is tilted slightly to the right. The overall style is minimalist and sketchy, using only black outlines on a white background.
